FRESHMEN

Stepping Into A New Life

We, the Freshman Class of '59, entered Webb High with the distinction of being the largest class in the school's history. Although we were amazed by the number of students and teachers and appalled by the complexity of the school and its functions, we began to pick up the many "gold pieces" on the very first day.

Many of the boys went out for football, later wrestling and basketball. Others participated in our band, orchestra, cheerleading, and other activities to hold high the name of our class and school.

At the present, as the coach would say, "we're still in the woods," but I'm sure that another year will find us completely oriented and taking an increasingly active part in every area of school life.

The Loyalty Council has been very busy this year as usual.

The Loyalty program was explained to the freshmen and Homecoming activities were made for October 23rd. Certain members of the Council attended the Youth Conference at Gay Mills in November.

The Council met Wednesdays at 12:30 in addition to the usual 4th hour meetings. The necessary business such as electing good citizens, figuring percentages, and discussing various problems was taken up.

The annual Magazine Sale was started January 29 and extended into early February. The Council also sponsored the noon movies.

The Loyalty Banquet marked the end of a competitive and successful year.

F. F. A.

This year the Future Farmers of America held two meetings a month during the seventh hour. F.F.A. is made up of boys who are interested in Vocational Agriculture. They work together to learn how to farm more efficiently, to promote agriculture in the community, and to bring about better understanding between the farmer and the city dweller. The F.F.A. raised funds by operating the hat check stand at each basketball game. This fall they held their annual Parent and Son Banquet. Many of the members competed at the Sauk County Fair and the Wisconsin State Fair.

WRESTLERS

This year the Webb High grapplers compiles a fine record in both dual meet and tournament competition. In dual meet Lake Mills was the only team that was able to top them. The Beavers placed first in the regional meet and second in both the conference and sectional tourneys. They were able to send five men to the State Tournament, with Harvey Foss bringing home a second.

Coach Don Reinicke hopes to have an even better team next year with the help of five returning lettermen and some promising underclassmen.

ACTIVITIES

HOMECOMING 1959

King Dave Carrig crowns Queen Betty Bill.

The 1959 Homecoming activities began with the traditional snake dance and bonfire. On Friday afternoon we had an enthusiastic pep meeting with speeches, skits, and cheers. Rain cancelled the parade, but not our game and the ensuing victory. The highlight of the dance which followed the game was the crowning of Queen Betty by King Dave.

Couples attending the Junior Prom found themselves in an enchanting Japanese tea garden as they entered over an oriental bridge with a pagoda. They danced under Japanese lanterns among screens painted with oriental scenes to the music of Eddie Lawrence and his orchestra. A huge fan formed the throne and made a striking background for the king and queen and their court.

Refreshments were served around a fountain which further carried out the theme "Sayonara".
